

HighVariable::printCover

```
graph LR; A[HighVariable::printCover] --> B[Cover::print]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'HighVariable::printCover'. The right box is white and contains the text 'Cover::print'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

Cover::print
