

GhidraCommand

```
classDiagram
    class GhidraCommand
    class DecompileAt
    DecompileAt --|> GhidraCommand
```

The diagram illustrates a generalization relationship between two classes. At the top is a white rectangular box labeled 'GhidraCommand'. Below it is a gray rectangular box labeled 'DecompileAt'. A solid blue arrow points vertically from the top center of the 'DecompileAt' box to the bottom center of the 'GhidraCommand' box, indicating that 'DecompileAt' is a specialized version or subclass of 'GhidraCommand'.

DecompileAt
