

BinaryExpression::getMinMax

```
graph LR; A[BinaryExpression::getMinMax] --> B[PatternExpression::getMinMax]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'BinaryExpression::getMinMax'. The right box is white and contains the text 'PatternExpression::' on the top line and 'getMinMax' on the bottom line. A blue arrow points from the right side of the gray box to the left side of the white box.

PatternExpression::
getMinMax
