

IfcLoadFile::execute

```
graph LR; A[IfcLoadFile::execute] --> B[ArchitectureCapability::findCapability]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'IfcLoadFile::execute'. The right box is gray with a black border and contains the text 'ArchitectureCapability::findCapability'. A dark blue arrow points from the right side of the left box to the left side of the right box.

ArchitectureCapability
::findCapability
