The diagram illustrates a dependency or relationship between three code elements. On the left, there are two white rectangular boxes. The top box contains the text 'ghidra.app.decompiler.flatapi.FlatDecompilerAPI.decompile'. The bottom box contains the text 'ghidra.app.plugin.core.decompile.DecompilerTest.testDecompileInterface ReturnsAFunction'. On the right, there is a gray rectangular box containing the text 'ghidra.app.decompiler.DecompileResults.getDecompiledFunction'. Two blue arrows point from the right side of the two white boxes to the left side of the gray box, indicating that both the top and bottom elements on the left are related to or point to the element on the right.
