

ParamListMerged::clone

```
graph LR; A[ParamListMerged::clone] --> B[ParamListMerged::ParamListMerged];
```

The diagram illustrates a cloning operation. On the left, a gray rectangular box contains the text 'ParamListMerged::clone'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'ParamListMerged::ParamListMerged' on two lines.
