

DisassemblyEngine::
disassemble

```
graph LR; A[DisassemblyEngine::disassemble] --> B[Translate::oneInstruction]
```

A diagram showing a call from a function to another function. On the left, a gray rectangular box contains the text "DisassemblyEngine::disassemble". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Translate::oneInstruction". Both boxes have a black border.

Translate::oneInstruction
