

Funcdata::endDef

```
graph LR; A[Funcdata::endDef] --> B[VarnodeBank::endDef]
```

A diagram showing a relationship between two code snippets. On the left, a gray rectangular box contains the text 'Funcdata::endDef'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'VarnodeBank::endDef'. Both boxes have a black border.

VarnodeBank::endDef
